Mr. Rainer Beltzner
Chair, Board of Governors
Humber College Institute of Technology and Advanced Learning
205 Humber College Blvd
Toronto, Ontario M9W 5L7

Dear Mr. Beltzner:

I am pleased to advise you that, pursuant to subsection 4(1) of the *Post-secondary Education Choice and Excellence Act, 2000* (the Act), it is my intent to amend all the consents granted to Humber College Institute of Technology and Advanced Learning to allow Humber to use distance education delivery within all of its degree programs in applied areas of study for which it has consent to offer.

All other terms and conditions of the original consents relating to the delivery of all of Humber's degree programs in applied areas of study, as identified in all the original letters of consent, remain in force. In this regard, please note that the terms of the consents remain unchanged, and the consents are specific to the sites indicated in each program's original letter of consent.

The amendments to the consents are subject to the further terms and conditions set out below:

1. This intent to amend consent letter is returned to me within 30 business days of the date of this letter, signed by a representative of the college authorized to bind the organization.
2. The college maintains conformity with all commitments made in writing by the college to the Minister or the Postsecondary Education Quality Assessment Board (the Board) as part of the application dated May 5, 2010, to offer web-facilitated, blended, hybrid or online courses within all of its degree programs in applied areas of study, and any additional commitments made in writing by the college during the Board's review process.

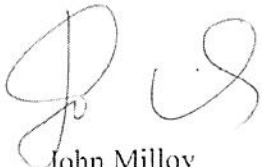

The above-noted amendments to the consents are effective as of the date I receive the sign back of this letter. Ministry staff will provide the college with confirmation in writing of the date of receipt of the sign-back letter.

If you have any questions regarding this letter, please contact Marc Mainguy, Research Policy Analyst, Postsecondary Accountability Branch at (416) 314-7700 or by e-mail at marc.mainguy@ontario.ca.

I wish your college continued success with these programs.
