Professor M.T. Swanston, Vice-Principal
University of Abertay Dundee
Bell Street
Dundee, Scotland
DD1 1HG

Dear Professor Swanston:

I am writing further to my letter of January 24, 2006 advising you that pursuant to subsection 4(1) of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to the University of Abertay Dundee to offer the Master of Science (Computer Games Technology) at Algoma College.

As indicated in the letter, the intent to grant consent was subject to the university accepting the terms and conditions set out in the letter, which included the Standard Terms and Conditions attached to the letter, and the university executing the Applicant Agreement Form attached to the Standard Terms and Conditions.

Pursuant to the letter of intent to grant consent, the consent would be for a period of five years, commencing on the date the University of Abertay Dundee receives written confirmation that the above-noted acknowledgment is satisfactory.

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form. I am pleased to advise you, therefore, that in accordance with the letter dated January 24, 2006, and subject to all the terms and conditions identified in that letter and its attachment, I am confirming that I have granted my consent to the University of Abertay Dundee to offer the Master of Science (Computer Games Technology) at Algoma College. This consent is for a period of five years commencing from the date of this letter.

I would like to take this opportunity to wish you much success in your new endeavour.
