Pursuant to section 5(1) of the *Post-secondary Education Choice and Excellence Act, 2000*, on December 21, 2006, Conestoga College Institute of Technology and Advanced Learning applied to the Minister of Training, Colleges and Universities for consent to continue to offer a Bachelor of Applied Technology (Integrated Advanced Manufacturing Technologies) program, the current consent for which is due to expire on December 31, 2007, and the first cohort for which completed the program on August 18, 2007. In accordance with section 5.2 of the *Act*, you referred the application on January 26, 2007, to the Board for its review and recommendation.
