Dear Mr. McCullough:

I am writing further to the former Minister's letter of August 30, 2007 advising you that pursuant to Section 4 of the *Post-secondary Education Choice and Excellence Act, 2000*, it was his intent to grant consent to Georgian College of Applied Arts and Technology to advertise and offer the following applied degree program in Ontario:

**Bachelor of Applied Business (Golf Management)**

As indicated in the Minister's intent to grant consent, consent was subject to the college accepting the terms and conditions set out in the letter, and the college executing the Applicant Agreement Form attached to the letter of intent.

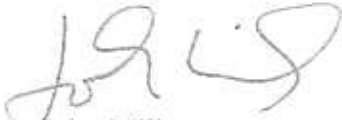

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form.

I am confirming that I have granted my consent to Georgian College of Applied Arts and Technology to advertise and offer a Bachelor of Applied Business (Golf Management). This consent is for a period of seven years commencing from the date of this letter.

I would like to take this opportunity to wish you much success in your endeavour.
