Mr. William Ardell
Chair, Board of Governors
Humber College Institute of Technology and Advanced Learning
205 Humber College Boulevard
Toronto, Ontario, M9W 5L7

Dear Mr. Ardell:

I am writing further to my letter of December 11, 2007 advising you that pursuant to Section 4 of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to Humber College Institute of Technology and Advanced Learning for an amendment to the consent granted on April 21, 2005 with respect to the Bachelor of Applied Business (Tourism Management).

The terms and conditions of the original consent relating to the delivery of the above-noted program, as identified in the original letter of consent dated April 21, 2005, remain in force. In this regard, note that the term of the consent remains unchanged, i.e., April 21, 2010 and the consent is specific to the site at the Humber Lakeshore Campus.

As I indicated in my letter, my intent to grant consent was subject to the college accepting the terms and conditions set out in my letter, and the college executing the Agreement Form attached to the letter of intent.

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form.

I am confirming that I have granted consent to Humber College Institute of Technology and Advanced Learning to modify the program's curriculum and related bridge programs, as specified in its application dated May, 2007.

.../2

I would like to take this opportunity to wish you much success in your endeavour.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Milloy', with a large, stylized flourish at the end.

John Milloy
