Dear Mr. Ardell:

I am writing further to my letter of January 26, 2007 advising you that pursuant to Section 4 of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to Humber College Institute of Technology and Advanced Learning to advertise and offer in Ontario a Bachelor of Applied Business (Human Resources Management).

As I indicated in my letter, my intent to grant this consent was subject to the college accepting the terms and conditions set out in my letter, which included the Standard Terms and Conditions attached to the letter, and the college executing the Applicant Agreement Form attached to the Standard Terms and Conditions.

Pursuant to my letter, the consent would be for a period of seven years, commencing on the date of my written confirmation that I am satisfied with the above-noted acknowledgment.

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form.

I am pleased to advise you, therefore, that in accordance with my letter dated January 26, 2007 and subject to all the terms and conditions identified in that letter and its attachment, I am confirming that I have granted my consent to Humber College Institute of Technology and Advanced Learning to advertise and offer in Ontario a Bachelor of Applied Business (Human Resources Management). This consent is for a period of seven years commencing from the date of this letter.

I would like to take this opportunity to wish you much success in your new endeavour.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Bentley", with a long, sweeping flourish extending to the right.
