Mr. Dale Richmond
Chair, Board of Governors
Humber College Institute of Technology and Advanced Learning
205 Humber College Blvd
Toronto, Ontario M9W 5L7

Dear Mr. Richmond:

I am writing further to my letter of September 17, 2009 advising you that pursuant to Section 4 of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to amend the consent granted to Humber College Institute of Technology and Advanced Learning to advertise and offer a Bachelor of Applied Music (Contemporary Music) program in Ontario.

As I indicated in my letter, my intent to grant consent was subject to the college accepting the terms and conditions set out in my letter, and the college executing the Applicant Agreement Form (AAF) attached to the letter of intent.

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form.

I am confirming that I have amended the consent granted to Humber College Institute of Technology and Advanced Learning to modify its curriculum for the program, as specified in the application received on December 24, 2008.

I would like to take this opportunity to wish you much success in your endeavour.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Milloy". The signature is stylized and cursive.
