Dear Mr. Beltzner:

I am writing further to my letter of November 25, 2010, advising you that pursuant to Section 4 of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to Humber College Institute of Technology and Advanced Learning to advertise and offer a Bachelor of Journalism program in Ontario.

As I indicated in my letter, my intent to grant consent was subject to the college accepting the terms and conditions set out in my letter which included the Standard Terms and Conditions for a College of Applied Arts and Technology and the following additional conditions:

1. The consent is specific to the Humber Lakeshore Campus at 3199 Lakeshore Boulevard West, Toronto, ON.
2. The college shall, two years from the start date of the program, submit to the Ministry a report demonstrating how it is honouring its commitments concerning faculty qualifications.

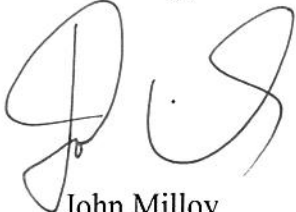

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form as noted in the November 25, 2010 letter.

I am confirming that I have granted my consent to Humber College Institute of Technology and Advanced Learning to offer the above-noted program in Ontario. This consent is for a period of seven years commencing from the date of this letter.

.../2

I would like to take this opportunity to wish you much success in your endeavour.

Sincerely,
