Dear Minister:

Re: Application from Humber College Institute of Technology and Advanced Learning to amend its consent to offer a Bachelor of Applied Music (Contemporary Music): Recommendation to Grant Consent

Pursuant to section 5(1) of the *Post-secondary Education Choice and Excellence Act, 2000*, Humber College applied to amend its consent to offer a Bachelor of Applied Music (Contemporary Music).

In accordance with section 5.2 of the Act, the application was referred on March 2nd, 2009 to the Board for its review and recommendation. The Board reviewed the application in accordance with its *Handbook for Ontario Colleges, February 2006*, and gave final consideration to the application on July 21st, 2009.

Based on:

- The applicant's submission;
- the findings of the Quality Assessment Panel appointed by the Board to assess this program change against the Board's standards and benchmarks for an honours baccalaureate in an applied area of studies;
- the applicant's response to the panel's report;
- any additional materials provided by the applicant to the Board;
- any commitments made by the applicant during the review process; and
- the Board's assessment of the information,

the Postsecondary Education Quality Assessment Board finds that the proposed curriculum

change meets the Board's standards and recommends that you grant consent to Humber College Institute of Technology and Advanced Learning to implement the change.

Yours truly,
