Dear Mr. Ryan:

I am writing further to my letter of April 11, 2006 advising you that pursuant to subsection 4 of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to Niagara College of Applied Arts and Technology to advertise and offer in Ontario a Bachelor of Applied Business (International Commerce and Global Development).

As I indicated in my letter, my intent to grant this consent was subject to the college accepting the terms and conditions set out in my letter, which included the Standard Terms and Conditions attached to the letter, and the college executing the Applicant Agreement Form attached to the Standard Terms and Conditions.

Pursuant to my letter, the consent would be for a period of five years, commencing on the date of my written confirmation that I am satisfied with the above-noted acknowledgment.

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form.

I am pleased to advise you, therefore, that in accordance with my letter dated April 11, 2006 and subject to all the terms and conditions identified in that letter and its attachment, I am confirming that I have granted my consent to Niagara College of Applied Arts and Technology to advertise and offer in Ontario a Bachelor of Applied Business (International Commerce and Global Development). This consent is for a period of five years commencing from the date of this letter.

I would like to take this opportunity to wish you much success in your new endeavour.
