Attention: Dr. Rick Davey, President

Dear Dr. Davey,

In a letter dated August 18, 2010, I advised RCC 1928 ULC O/A RCC Institute of Technology (RCC Institute of Technology) that, pursuant to subsection 4(1) of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to RCC Institute of Technology to advertise and offer a Bachelor of Interior Design program in Ontario.

The intent to grant consent was subject to RCC Institute of Technology accepting the terms and conditions set out in the letter of intent which included the Standard Terms and Conditions for a private institution, and the following additional conditions of consent:

1. RCC appoints at least five additional senior academic administrators, including a Vice President Academic, and Associate Vice President Academic, and a Provost or Academic Dean prior to entering into contracts with students for the program or enrolling students in the program.
2. RCC assigns faculty with the appropriate credentials to teach in the program prior to entering into contracts with students for the program or enrolling students in the program.
3. In addition to the information required under section 9.2 of the Standard Terms and Conditions, RCC provides in its annual report to the Minister:
 - a. Student enrolments by individual program and the variances from the October 2008 Business Plan submitted to PEQAB with respect to the program.
 - b. Audited financial statements of both RCC and its controlling shareholder, Yorkville Education Company ULC.
 - c. A report on significant changes, if any, in the composition of RCC's senior academic and administrative leadership (Department Chair and above) and in their roles

.../2

- d. The assignment of faculty members to teach courses in the program, including faculty curriculum vitae and faculty hiring for the program.

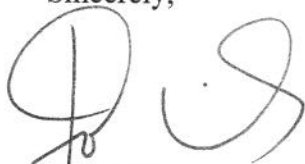

My letter also indicated that the consent would be for a period of five years, commencing from the date of my written confirmation that RCC Institute of Technology had satisfied the requirements for consent. I would like to confirm that I have received and am satisfied with the signed Applicant Agreement Form and the requirements for consent as noted in the August 18, 2010 letter.

I am pleased to advise you that I am granting consent to RCC Institute of Technology to advertise and offer a Bachelor of Interior Design program in Ontario.

The consent is specific to 2000 Steeles Avenue West, Concord, ON, and is for a period of five years from the date of this letter of consent. The consent is subject to the terms and conditions identified in the letter of intent to grant consent dated August 18, 2010 and its attachment.

I would like to take this opportunity to wish RCC Institute of Technology well in offering this program.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Milloy', written in a cursive style.
