Dear Ms. McLeod:

I am writing further to my letter of December 31, 2007 advising you that pursuant to Section 4 of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to Seneca College of Applied Arts and Technology to advertise and offer the following applied degree program in Ontario:

As I indicated in my letter, my intent to grant consent was subject to the college accepting the terms and conditions set out in my letter, and the college executing the Agreement Form attached to the letter of intent.

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form.

I am confirming that I have granted my consent to Seneca College of Applied Arts and Technology to advertise and offer a Bachelor of Applied Technology (Environmental Site Remediation) program. This consent is for a period of five years commencing from the date of this letter.
