Dear Mr. Gary Kain:

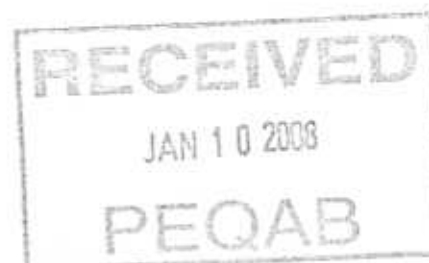

I am writing further to my letter of December 11, 2007 advising you that pursuant to Section 4 of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to Sheridan College Institute of Technology and Advanced Learning to advertise and offer the following applied degree program in Ontario:

**Bachelor of Applied Health Sciences (Exercise Sciences and Health Promotion)**

As I indicated in my letter, my intent to grant consent was subject to the college accepting the terms and conditions set out in my letter, and the college executing the Agreement Form attached to the letter of intent.

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form.

I am confirming that I have granted my consent to Sheridan College Institute of Technology and Advanced Learning to advertise and offer a Bachelor of Applied Health Sciences (Exercise Sciences and Health Promotion) program. This consent is for a period of seven years commencing from the date of this letter.

I would like to take this opportunity to wish you much success in your endeavour.
