Attention: Dr. Angelo Belcastro

Dear Dr. Belcastro:

I am writing further to my letter of April 8, 2005 advising that pursuant to subsection 4(1) of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to grant consent to the University of New Brunswick to offer and to advertise the Bachelor of Nursing program (direct entry) in Ontario and to hold itself out as a university and be known by the name of the University of New Brunswick.

As I indicated in my letter, my intent to grant consent was subject to the university accepting the terms and conditions set out in my letter, which included the Standard Terms and Conditions attached to the letter and the execution of the Applicant Agreement form. Pursuant to my letter, the consent would be for a period of five years, commencing on the date of my written confirmation that I am satisfied with the above-noted requirements.

I would like to confirm that I have received and am satisfied with the signed Applicant Agreement form. I am pleased to advise you that I am confirming I have granted my consent to the University of New Brunswick to advertise and offer in Ontario a Bachelor of Nursing program (direct entry) in Ontario, and to hold itself out as a university and be known by the name of the University of New Brunswick. This consent is for a period of five years commencing from the date of this letter and is subject to the terms and conditions identified in my letter of April 8, 2005 and its attachments.

I would like to take this opportunity to wish the University of New Brunswick much success.

Sincerely,

Mary Anne Chambers
Minister
