Dear Dr. Bankirer:

I am writing further to my letter of June 9, 2004 advising you that pursuant to subsection 4(1) of the *Post-secondary Education Choice and Excellence Act, 2000*, it was my intent to renew consent to Central Michigan University to advertise and offer in Ontario a Master of Arts in Education, Community College Concentration.

As I indicated in my letter, my intent to renew this consent was subject to the university accepting the terms and conditions set out in my letter, which included the Standard Terms and Conditions attached to the letter, and the university executing the Applicant Agreement Form attached to the Standard Terms and Conditions.

Pursuant to my letter, the consent would be for a period of five years, commencing on the date of my written confirmation that I am satisfied with the above-noted acknowledgment.

I would like to confirm that I have now received and am satisfied with the signed Applicant Agreement Form.

I am pleased to advise you, therefore, that in accordance with my letter dated June 9, 2004 and subject to all the terms and conditions identified in that letter and its attachment, I am confirming that I have renewed my consent to Central Michigan University to advertise and offer in Ontario a Master of Arts in Education, Community College Concentration. This consent is for a period of five years commencing from the date of this letter.

I would like to take this opportunity to wish you much success.

Sincerely,
